### Who we are:

The ISB is an international umbrella organization, we are non-profit, independent and not affiliated with any political or religious groups. We are committed to promote liberal and citizen-friendly firearms legislation.

We see ourselves as representatives for hobby and professional sports, for all legal gun owners, anyone who serves with a firearm, firearms collectors, hunters and firearms culture.

Together we are strong!

Join now! www.isb-shooting.com

The ISB is committed to serve everyone who is interested in shooting sports and legal gun ownership. We stand against any further restriction of firearm possession.

Through your membership we will give your voice more weight.

With our sport shooting disciplines, we ensure variety in shooting sports.

## The advantages for shooting clubs:

There is no membership fee for shooting clubs in the ISB.

The ISB sees itself as a service platform for clubs to network internationally and host championships and competitions together.

Shooting club, international organization, lobby for gun ownership:

Everything from a single source, no hidden fees, no additional memberships necessary.

# The advantages for companies:

We offer a platform for companies as part of events for presentations of products and services, social media appearances, etc...
